WELCOME TO THE WORLD OF  
**MUSE BESPOKE**  
BED, BATH AND TABLE LINENS

*Please allow us to present  
you a select group of examples  
of our bespoke linens.*

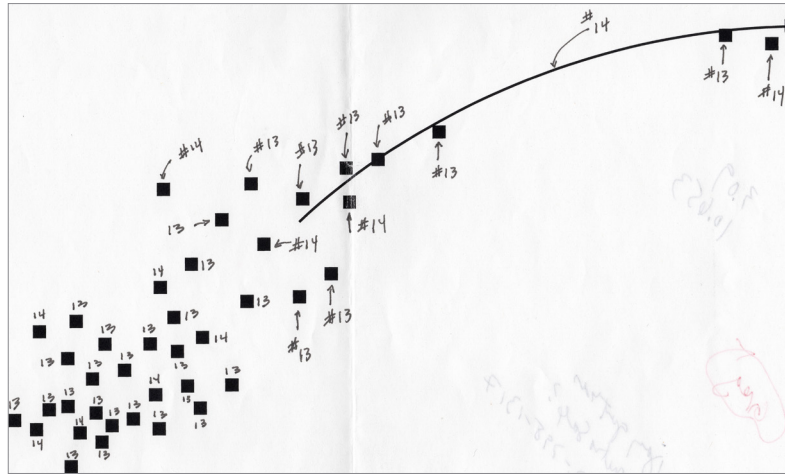

*Each one was specifically designed  
with the client and project in mind.*

*Inspiration for our embroideries  
come from endless sources:*

*The border on an heirloom piece of  
Sevres, a detail from a 17th Century  
Obi Sash, the exuberant brush strokes  
of an abstract expressionist canvas,  
or from Muse Bespoke's  
extensive archives.*

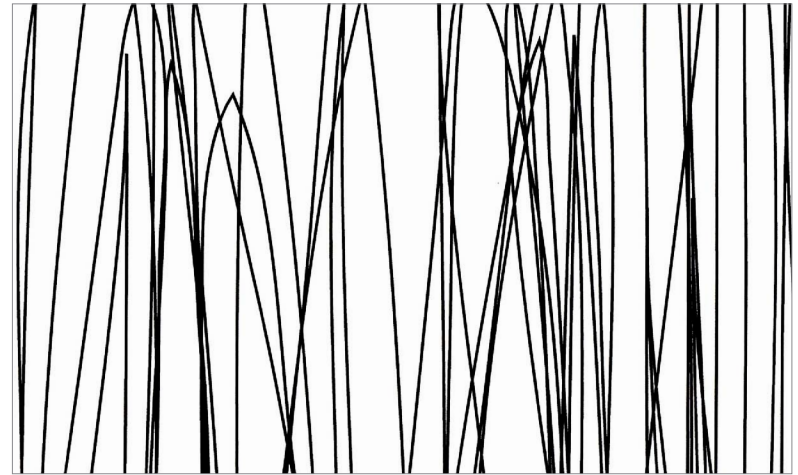

*Let us assist you in developing  
your ideas to create truly exquisite  
soft goods for your bedroom,  
bathroom, or dining room.*
